DEATH SAVES

I am always calm, even in the face of catastrophe. I believe in the power of hope and try to inspire it in others. I see omens in every event and action. The gods are speaking to us all the time.

PERSONALITY TRAITS

Light: I bring the light of hope to the darkest places, banishing despair. (Good) Faith: I trust that my deity will guide my actions. I have faith that if I work hard, things will go well. (Lawful)

IDEALS

I work to protect the sacred places of the world and those who dwell within them. My life's work is to spread the teachings of Lathander.

BONDS

I am inflexible in my thinking and unwilling to compromise. My word is bond, and I will not break it, even if it causes harm. I am dogmatic in my beliefs and often dismiss other viewpoints as misguided.

FEATURES & TRAITS

Darkvision: Accustomed to twilight forests and the night sky, you have superior vision in dark and dim conditions. You can see in dim light within 60 feet of you as if it were bright light, and in darkness as if it were dim light. You can't discern color in darkness, only shades of gray.

Keen Senses: You have proficiency in the Perception skill.

Fey Ancestry: You have advantage on saving throws against being charmed, and magic can't put you to sleep.

Trance: Elves don't need to sleep. Instead, they meditate deeply, remaining semiconscious, for 4 hours a day. (The Common word for this meditation is "trance.") While meditating, you can dream after a fashion; such dreams are actually mental exercises that have become reflexive through years of practice. After resting in this way, you gain the same benefit that a human does from 8 hours of sleep.

Spellcasting: As a conduit for divine power, you can cast cleric spells.

Divine Domain: Light Domain: You choose the Light Domain at 1st level. This grants you bonus proficiency and domain spells.

Bonus Proficiency (Heavy Armor): When you choose this domain at 1st level, you gain proficiency with heavy armor.

Warding Flare: Also at 1st level, you can interpose divine light between yourself and an attacking enemy. When you are attacked by a creature within 30 feet of you that you can see, you can use your reaction to impose disadvantage on the attack roll, causing light to flare before the attacker before it hits or misses. An attacker that can't be blinded is immune to this feature. You can use this feature a number of times equal to your Wisdom modifier (a minimum of once). You regain all expended uses when you finish a long rest.

Shelter of the Faithful: As an acolyte, you command the respect of those who share your faith, and you can perform the religious ceremonies of your deity. You and your adventuring companions can expect to receive free healing and care at a temple, shrine, or other established house of your faith, though you must provide any material components for spells. Those who share your religion will support you (and only you) at a modest lifestyle. You might also have ties to a specific temple or order dedicated to your deity, and you have a residence there. This could be a temple where you have served, or one where you are welcome.

ALLIES & ORGANIZATIONS

Elara grew up in a secluded elven community, close to ancient lore and the celestial bodies. She felt a calling to Lathander, the Bringer of Light and Renewal, from a young age. Her studies as an acolyte taught her the sacred rituals and the importance of banishing darkness, both literal and metaphorical. A recent unsettling omen and a deep desire to spread Lathander's warmth and protection have led her to venture beyond her cloister, eager to bring hope to those in need.
